## **Planning**

When planning your event, please place your order *at least* 48 business hours in advance. The sooner we know, the smoother things go. If the function is large, or you will be customizing the foods for your function, we will need more time to special order the items you want. We try our best to accommodate last minute requests, but sometimes it is simply not possible. Because of our wide assortment of menu offerings, we cannot keep all items and ingredients on hand at all times.

We can provide servers for your event at \$20/hr. per server, with a four hour minimum time per server.

## **Equipment Provided**

We supply high quality plastic ware and attractive disposable platters. Our “everyday” plastic consists of black plates and utensils, brown napkins and plastic cups. For a more upscale look, we can provide clear plates and utensils, white napkins, and clear tumblers. We can also provide sturdy, water-resistant paper tablecloths.

1. “Everyday” plasticware \$1.10 per person
2. “Fancy” plasticware \$1.50 per person
3. Paper water-resistant tablecloth \$6.95

We can also make arrangements for rental equipment (linens, tables, etc.). There is a 10% charge (\$10.00 minimum) for rental orders we process. Orders that require equipment to be picked up (chafers, coffee urns, etc.), will get a catering equipment list showing the equipment to be returned. Please pay close attention to the terms on this sheet. Do not remove any non-disposable equipment from the site. Additional fees may be charged for any extra equipment pick-ups required.

## **Business Hours**

Normal delivery hours are from 7:00 AM to 6:00 PM, Monday through Saturday.  
Deliveries and equipment pick-ups outside these hours are subject to an additional fee.  
Catering is available on Sundays. However, there is a \$500.00 minimum order requirement.

## Deliveries

Downtown (walking deliveries) \$35 minimum order. \$5 delivery charge.

Raleigh area. \$75 minimum order. \$20 delivery charge. This includes areas inside the I 540 Outer Loop to the east and north, east of Aviation Parkway and Cary Parkway to the west, and Ten-Ten Rd. to the south.

Wake County area (includes RTP, airport area, Morrisville, western Cary, Wake Forest, Wendell, Clayton, Fuquay-Varina, Apex, Holly Springs, Knightdale, Falls Lake area). \$100 minimum order. \$25 delivery charge. An additional delivery charge may be added if equipment pickup is necessary, depending on location.

Triangle Area and beyond. \$150 minimum order. Delivery charges start at \$30. An additional delivery charge will be added if equipment pickup is necessary.

Exceptions to these minimums may be made for gift baskets and cakes, depending on location. (We wouldn't deliver a \$25 cake to Durham, for instance.)

## Payment

First things first. *We prefer payment on delivery.*

Why? It makes it easier for us to pay our people for preparing your food, among other things. *We strongly urge you to pay on delivery.* If, because of company or government procedures, you are unable to pay on delivery, we can offer billing.

*New customers and personal (non-business) orders are expected to pay on delivery.* We accept cash, check, Visa, MasterCard, American Express, and Discover for payment. Returned checks will be dealt with accordingly!
